Making Lives Better

Welcome to Brocastle Manor

Brocastle Manor Care Home is a purpose-built modern care home for over 55s near Bridgend, South Wales. We focus on giving a great quality of life to our residents, whatever their abilities and needs.

Our specially trained team are on hand day and night to provide tailored care to our residents, including residential care and specialist care for those living with physical or mental disabilities and dementia.

We pride ourselves on providing a happy, friendly and warm environment that lets residents be as independent or involved as they choose to be.

**Our emphasis is on the
'home' in 'care home'.**

Friendship and fun

We give our residents every chance to make friends, have interesting conversations and enjoy group activities.

Every day there is something different to take part in so that there is little chance of being bored. Regular activities include bingo, quiz night, art group, film night, games, sing-alongs, performances, exercise sessions, craft-making, seasonal fairs and more.

For added convenience, we also have in-house hairdressing and religious services, including monthly communion.

Home comforts, companions and care

Warm and comfy rooms to call your own

We have 80 bedrooms, all of which are bright, airy, comfortable and generously sized. Each room is furnished to a high standard and has a private en-suite bathroom, a digital TV, an FM radio and telephone points. Residents are encouraged to bring along some personal possessions so that they can really make their rooms their own.

All abilities welcome

Most of our rooms are fully accessible to wheelchair users and there are specialist assisted rise and fall baths conveniently located throughout the home. Hearing loops are fitted in all of our lounge and dining areas, and there are two large lifts so that all floors are reachable. We have a 24-hour nurse call system so that our residents feel safe and are within reach of help if required.

Safe outdoor spaces to explore and enjoy

Our 14 acres of spacious grounds provide a scenic setting for relaxing and socialising in the countryside. The private and secure enclosed garden areas, patios and nature trails get lots of sunlight and provide regular opportunities for gardening and outdoor activities. They are fully accessible, so everybody can benefit from spending time outside in the fresh air.

Space to meet, mix and make new friends

Brocastle Manor has lots of communal space where residents can take part in hobbies, catch up over cups of tea and spend quality time with their friends and family. As well as five air-conditioned communal lounges, there is a cinema room where residents can watch films while enjoying an ice cream and a multi-sensory room for relaxation. We also run monthly outings.

Fresh and nutritious food to suit all tastes

Our trained chefs prepare three home-made meals each day in our on-site professional kitchen, which are usually served in the dining rooms. The menu is varied and has multiple options at every mealtime. We can cater for specialist diets and individual needs as required.

Fancy a tipples?

Our residents love the fact that we have our very own on-site pub, The Pen-y-bont Arms. Residents and their visitors can sit back and relax with their favourite drink, enjoy a pub lunch or simply relax in each other's company.

It's also used for quiz nights and family parties. The nostalgic drinking spot gives our care home a cosy community hub, just like you'd experience in a popular village pub.

Peace of mind

Our residents are in safe hands

We strive to provide high quality residential care. Our round-the-clock care package is provided by our highly motivated, fully qualified and friendly team.

To meet the care needs of our residents, we take each individual's situation into account and personalise our care to suit them.

On joining us at Brocastle Manor, we assess each new resident so that we can ensure their current needs are identified and met. Throughout their stay, we monitor them closely so that, if necessary, we can increase the levels of care they receive over time. We genuinely care about and value all of our residents, so we make sure that they are as happy and healthy as possible.

Protected and private

We want everyone to feel safe and at ease at Brocastle Manor because our home is their home too. In order to achieve this, we have the following extra security measures in place:

- A secure door entry system
- CCTV cameras in and around the home
- A full fire alarm system incorporating all safety features
- Safety restrictors on all windows
- Well-lit secure parking for visitors
- Secure WiFi

Visitors are always welcome

We don't have set visiting times, so our residents are able to have visits from friends and family as and when they like. To encourage regular visits, we give relatives the opportunity to purchase a key fob so that they can pop by as they please.

The staff are very friendly and welcoming. They involve mum in activities and do her hair and nails, and she is always happy.

The home is in a beautiful and quiet area, with beautiful gardens. I can't thank the home enough for all they do.”
